Would you like to make a positive contribution to benefit older people?

Spiritual well-being – distinct from religious affiliation or belief – as a universal need is a cornerstone of MHA's positive approach to ageing and we aim to provide the highest quality care and support for older people of all faiths and none.

You will build good working relationships with local faith communities and take the lead on pastoral care, spiritual and worship aspects of life within Montpellier Manor Care Home.

You will need to be in good standing with your faith community.

An empathetic understanding of spiritual aspects of ageing and dementia, demonstrated through experience of providing pastoral care and, ideally, leading services, is essential.
