Who tells us:-

For where two or three come together in my name, there I am with them.

HOLY WIT

Abraham Lincoln told of a little girl who received beautiful alphabet blocks. She liked them so much that she played with them at night in her bedroom until she was very sleepy. Then she remembered she had not said her prayers. So she knelt by her bedside and prayed, ‘Oh Lord, I’m too sleepy to pray, but there are letters. Spell it out for yourself.’

**PLEASE REMEMBER
Val Hugill in your prayers**
